

Campus: Ft. Lauderdale

Title: CORE GRAUDATE FACULTY IN EDUCATION

Location: Ft. Lauderdale, Florida

Essential Duties and Responsibilities:

Teach graduate education courses in hybrid (combination of online and on ground) class environment. Develop courses. Mentor and advise graduate students.

Education/Experience/Certifications:

Education-Curriculum and Instruction/Curriculum Design

Education-Teaching and Learning

Education-Administration

Education-Leadership

Education-Educational Psychology

An earned doctorate from a regionally accredited institution is required. While young scholars will be considered, the successful candidates will have had previous teaching experience, preferably at the graduate level. A strong record of professional presentations, research activities, and publications is a plus. Continued scholarly activity is expected.

Position Type: Full/Part Time
