Dr. Arthur Keiser, APSCU's Chairman of the Board, Addresses China's International Career Education Forum

On May 11, Dr. Arthur Keiser, Chairman of the Board of APSCU and Chancellor of Keiser University in Ft. Lauderdale, Florida, was one of the keynote speakers at China's 4th bi-annual International Career Education Forum. The forum promotes career education and hosts discussions about the ways in which policy makers and educators can work collaboratively in a global environment. Dr. Keiser discussed challenges and trends in career education in the United States, and talked about how educators and policy makers around the world can work together to meet global market demand. Over 200 career educators from around the world attended the forum, which was held in Shanghai.
