KEISER UNIVERSITY ANNOUNCES SPRING GRADUATION CEREMONIES
Prominent Leaders to Deliver Keynote Addresses

Ft. Lauderdale, FL—Apr. 29—This Spring, approximately 3,400 Keiser University graduates will cross stages throughout the state signifying completion of their college degrees and the beginning of the next chapter in their professional lives.

"Keiser University has been serving Florida for nearly 35 years, graduating tens of thousands of students prepared to make an immediate impact in the workforce and as leaders in their communities," said Belinda Keiser, Vice Chancellor of Community Relations and Student Advancement.

Each year, the highlight of the commencements for the graduates and the 15,000 expected guests statewide is often the words of inspiration and wisdom delivered by some of Florida’s most prominent leaders.

Sharing this proud day and celebrating the graduates’ journey with their families, the faculty that have guided them to this moment and Florida’s federal, state and local elected officials is our greatest honor,” added Keiser. On behalf of Keiser University and the Keiser family, I extend our heartfelt congratulations to the Class of 2011.
