

- **Kathleen Lavergne**
  - **Date added:** April 4, 2012
  - **Submission Type:** Professional Recognition
  - **Current employer:** HCA Healthcare East Florida Division
  - **Current title/position:** Division Vice President Clinical Services/Quality
  - **Industry:** [Health Care](#)
  - **Position level:** Vice President
  - **Reason for being recognized:** The Association of Private Sector Colleges and Universities (APSCU) recently announced the East Florida Division of HCA Healthcare, nominated by **Keiser University**, as the recipient of its 2012 National Employer of the Year Award. APSCU's National Employer of the Year Award honors an employer that demonstrates an active, long-standing relationship with private sector, postsecondary institutions and their students. The East Florida Division of HCA Healthcare has hired 571 graduates of **Keiser University**, including 120 since January 2011, who are working in HCA's 70 plus healthcare sites in Florida. Kathleen Lavergne accepted the award.
