Oct 2014 - Dec 2014

Cystic Fibrosis

FUNDRAISING

Every year, all Keiser Campuses participate in a fundraising campaign to benefit the Cystic Fibrosis Foundation. Though the Daytona Beach KU Campus is not the largest, we have been a top fundraiser for the past two years because of the generosity of our students, faculty, and staff. Thank you for your continued support - Let's go Team Daytona!

how
YOU
can
help!

There are a few ways you can help us raise funds for Cystic Fibrosis:

- Dress Down on 10/16 - \$2/ students, \$3 faculty & staff
- Donate gifts in kind for our gift baskets raffle (see Lynne Carr)
- Donate a monetary donation to the cause

Pink'tober

Team Daytona kicked off the month of October by wearing Pink in honor of Breast Cancer Awareness Month.

Additional activities include a Pink Wreath Door Decorating contest and Pink Treats Day on 10/14

Students, Alumni, Faculty, and Staff - Drive your Keiser Pride! See Student Services to reserve your Keiser University license plate. Not only will you receive a free T-shirt, but students who sign up before October 31st will be entered into a drawing for a \$50 gift card to the bookstore. Credit can be used towards book purchases!

Say hello, and get to know, new faculty and staff. Welcome to KU!

Hello! My name is Dr. Maggie Vivoda and I am the Associate Dean of Academic Affairs here at Keiser University, Daytona Beach Campus. I have worked in the Keiser system for approximately four years and have really enjoyed working with this great organization. I started at Keiser University as an Adjunct Business Instructor and I soon became a full-time Business Instructor, then a Program Director for Accounting, Business, Health Services Administration, and other disciplines. Prior to working at Keiser University I was employed in the Allied Health field as a Registered Dental Hygienist and in the real estate industry as a Licensed Real Estate Broker.

Educationally, I have earned several degrees: AA, AS, BA, MBA, and a Doctorate of Management degree. I believe education is a way to achieve the lifestyle you desire and that education is something no one can ever take away from you. I value education and I have always worked to inspire others and to help other individuals achieve their goals.

I am a native of Florida (Miami) and a fan of the Orlando Magic and Miami Heat basketball teams. In my spare time I enjoy going on cruises, traveling, reading James Patterson novels, and investing in the stock market.

I look forward to working with each of you!

Hi everyone! I am the new Program Director and Clinical Coordinator for the Medical Assisting Program here at Keiser University. I am a former graduate with my Associate of Science in Medical Assisting and my Bachelor of Science in Health Care Management. My future goal is to work towards my Master of Science majoring in Management. I am a current Registered Medical Assistant through the American Medical Technologists. I have been working in the field as a Medical Assistant for over 6 years working in Clinical Research, Oncology, and was a Lead Medical Assistant and Trainer in Family Practice and Geriatrics. Working with patients is a passion of mine and I love to help people. Now I have the opportunity to further extend that and work with students to become successful in the field. Some things I enjoy are the beach, boating, sports, exercising, eating sushi, being crafty and spending time with family and friends.

3rd Annual TOY DRIVE!

All Keiser University Campuses will be participating again in the Annual Toy Drive to benefit Operation Homefront. Toys are donated to children of Veteran Families in time for Christmas morning. Ways you can help are:

- Take a donation box to your place of work or church
- Volunteer to help during the kickoff event (mid-December)
- Ask family and friends for a toy donation

See Student Services to get involved!
