Such changes may be made without further notice. Tuition is charged by the semester as stated above. This information is being provided to assist you in the budgeting of your finances. A $25 fee will be charged to the student’s ledger card for a stipend check to be sent within the United States via overnight mail.

Student Withdrawals
It is the responsibility of all students, upon withdrawal from Keiser University, to return library books and pay all fines, fees and monies that are owed to the University.

CANCELLATION AND REFUND POLICY

Tuition and Fee Disclosure
Tuition is computed on the assumption that a student remains throughout the academic year. Since a place in class has been reserved for each student, tuition is refunded in accordance with the University refund policy. A student withdrawing from the University must comply with proper clearance procedures as outlined in the catalog. Reductions in indebtedness are made solely at the discretion of the University for Withdrawals necessitated by conditions beyond a student’s control such as an emergency acceptable to the University. Refunds or reductions in indebtedness are processed after all required approvals are documented on a withdrawal form. Students are obligated for all charges (tuition/fees/books/supplies/etc.) for the semester they are currently attending plus any prior account balance. A semester of sixteen (16) weeks, may consist of four (4) consecutive four (4) week terms or two (2) consecutive eight (8) week terms or one (1) consecutive sixteen (16) week semester of instruction. A $100 administrative fee is charged when a student withdraws prior to the end of a semester. A student who has withdrawn and wishes to re-enter is charged a $150 reentry fee.

Fees and room charges are non-refundable after the third day of class start for the period of enrollment. Students who move off campus after the start of the semester forfeit charges per the housing contract guidelines. Students with meal plans are non-refundable and will expire on the last day of the current semester.

RETURN OF TITLE IV FUNDS (R2T4)
The requirements for federal financial aid when a student withdraws are separate from the Institutional Refund Policy. As such a student may still owe a balance to the University for Unpaid Institutional Charges. Federal regulations specify how the University must determine the amount of Federal financial aid the student is entitled to have earned when a student withdraws from the University.

The percentage amount of Federal financial aid a student has earned during a payment period is calculated based on the total number of calendar days completed in a payment period divided by the total number of calendar days in the payment period. For students who withdraw during the payment period the school will perform the return calculation on a payment period basis. An academic year is defined as two semesters equivalent to 32 weeks of instruction and at least *24 semester hours. (12 semester hours for graduate candidate students in dissertation courses).

The amount of assistance earned is determined on a pro-rata basis. For example, if you completed 30% of your payment period, you earn 30% of the FSA assistance you were originally scheduled to receive. Once you have completed more than 60% of the payment period, you may
earn all the FSA assistance you were scheduled to receive for that period. Anytime a student
begins attendance in at least one course, but does not begin attendance in all the courses he or
she was scheduled to attend, regardless of whether the student is a withdrawal or graduate, the
institution must review to see if it is necessary to recalculate the student’s eligibility for funding
received based on a revised enrollment status and the cost of education.

Order of Return of Title IV Funds
A school must return Title IV funds to the programs from which the student received aid during
the payment, in the following order, up to the net amount disbursed from each source:
  • Federal Direct Unsubsidized Stafford Loan
  • Federal Direct Subsidized Stafford Loan
  • Federal Perkins Loan
  • Federal Direct Grad/PLUS Loan
  • Federal Direct PLUS loan
  • Federal Pell Grants for which a return of funds is required
  • Federal Supplemental Educational Opportunity Grants (FSEOG) for which a return of
    funds is required
  • Federal TEACH Grants for which a Return is required
  • Federal Iraq and Afghanistan Service Grant for which a return is required
  • The Federal Return of Title IV funds do not apply to federal work-study, scholarships,
    state grants or institutional awards or cash payments from the student, Pre-Paid Plans,
    or external non - Title IV sources.

CANCELLATION/WITHDRAWAL CALCULATION
Cancellation at any time from the date of a student’s registration to the day before the first
scheduled day of a semester – 100% refund of tuition and education fees. (The University retains
the $55 application fee.)
  • Withdrawal at any time during the first week of the semester – 90% refund of tuition
    (Board if applicable).
  • Withdrawal at any time during the second week of the semester – 85% refund of tuition

mentioned items are returnable. All registration fees are refunded if a student is not accepted
into his/her particular program. Students must notify the University in writing of cancellation. All
monies paid by an applicant are refunded if cancellation occurs within three business days after
signing the University’s Application for Admission and making an initial payment. If cancellation
occurs after three business days from the signing of the University’s Application for Admissions, all
application and registration fees in excess of $100 are refunded to the student. Refunds are made
within thirty days from the date of determination of a student’s withdrawal. All balances owed
the University due to the return of Title IV funds or withdrawal calculation or a balance due at
time of graduation, are billed to the student. No official academic transcript or a diploma is issued to any student who owes a balance to the University at the time of the request. Upon payment of an outstanding debt, a transcript and diploma may be issued.
