Your Document's Title

Your First Name Middle Initial. Last Name

Keiser University

Course Name

Instructor's name

Date

Abstract

Start your text at the beginning of this line. The abstract should be one paragraph in length.

Type the Title of Your Paper Here

Start your text at the beginning of this line. Do not hit "Enter" at the end of each line:

Your word processing program will end each line appropriately. Check page 62 of the APA

Manual for the correct **Heading Style**for sections and subsections of your paper.

References

Start your references at the beginning of this line.Hit "Enter" at the end of each source's entry

      only, and the cursor will be repositioned correctly to enter your next source. Notice that

      each entry is formatted with a hanging indent, meaning the lines after the first line are

      indented.
