Students who hold a bachelor's degree only sit for the ARDMS registry exam.</i>
	Average Annual Credentialing exam- Vascular	100%	80%	100%	93%	Credentialing Exam: Multiple Concentration Programs 60% overall take and pass rate and earn a credential within one year of graduation. <i>*Program is currently using the ARRT pathway for ARDMS credentialing until CAAHEP accreditation is obtained. Students who hold a bachelor's degree only sit for the ARDMS registry exam.</i>

Adjusted Percent Retention (cohorts with 9 or less students admitted)

For programs with low student enrollment per year ($N \leq 9$) the table below can be used to adjust the number of students required to meet the criteria. The resulting adjusted acceptable retention rate is entered in the Student Retention table at the top of the worksheet with the "criteria met" statement entered in the explanation box.
