FINAL Report following the August 4, 2020 Disbursement

Keiser University, OPEID 02151900, received education stabilization funds under Section 18004(a)(1) of the Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”), Public Law No: 116-136. This Fund Report applies to the student portion received under the Higher Education Emergency Relief Fund that is designated exclusively for emergency financial aid grants to students.

The institution appreciates that Congress and the President have made these critical funds available for eligible students who have expenses related to the disruption of campus operations due to the coronavirus pandemic. We take receipt of these federal funds seriously and are distributing them in accordance with the CARES Act and implementing guidance.

The institution is making the below information available for transparency purposes and in compliance with the U.S. Department of Education’s (“Department”) Electronic Announcement of May 6, 2020. For questions or concerns regarding this Fund Report, please [contact us](#).

Keiser University has adopted a flexible approach to administering emergency grants to students negatively impacted by the COVID-19 economic crisis. In creating this policy, the University seeks to achieve five goals:

To expeditiously develop and implement a plan to distribute CARES Act funds to Keiser University Students.

To adhere to CARES Act requirements and Department of Education interpretive guidance in distributing funds.

To create a process for awarding of funds that is defensible, replicable, and equitable – a process which will stand up to predictable future scrutiny (auditors, legislators, media, etc.).

To distribute funds in a manner that best ensures student support in light of COVID-19 and economic challenges.

To utilize existing processes and automate the awarding, distribution, and tracking process to the greatest degree possible.

Only students who are or could be eligible to participate in programs under Section 484 in Title IV of the Higher Education Act of 1965, as amended (HEA), may receive emergency financial aid grants. If a student has filed a Free Application for Federal Student Aid (FAFSA), then the student has demonstrated this portion of eligibility. Students who have not filed a FAFSA must do so to be eligible for a KU CARES Act grant; this application may be submitted online. The criteria to participate in programs under Section 484 of the HEA include but are not limited to the following: U.S. citizenship or eligible noncitizen; a valid Social Security number; registration with Selective Service (if the student is male); and a high school diploma, GED, or completion of high school in an approved homeschool setting.

KU students receiving military benefits to pay for their education who have not completed a FAFSA will receive the maximum grant for their enrollment status as part-time or full-time. Those who have completed a FAFSA will be awarded CARES Act grants as according to the procedure outlined under “Initial Grants” below.

A student must have been enrolled as a full-time or part-time degree seeking student, and not enrolled 100% online, on March 13, 2020 to receive CARES Act Grant Aid.

In an effort to distribute aid to students in an expeditious manner and recognizing that KU students disproportionately rely on income from the stifled Florida service economy, all eligible full-time and part-time KU students with an Expected Family Contribution (“EFC” generated by FAFSA application) will receive a one time-time grant. In order to qualify for this funding, students must have been enrolled as full-time or part-time degree seeking students, or on a University-approved leave of absence, on March 13, 2020.

Grant awards for KU students meeting all eligibility requirements were made as follows:

Full-time with EFC of \$0 – \$5,501 = \$230

Part-time with EFC of \$0 – \$5,000 = \$114

Full-time with EFC of \$5,502 – \$15,000 = \$173

Part-time with EFC of \$5,001 – \$15,000 = \$89

Full-time with EFC of >\$15,000 = \$378

Part-time with EFC of >\$15,000 = \$190

Students automatically received grant funds via check or direct deposit, depending on the preference indicated at registration.

- Guidance provided by the institution to students concerning appropriate use of emergency financial aid grants

Please note that CARES Act grants are intended for “emergency financial aid grants to students for expenses related to the disruption of campus operations due to the COVID-19 pandemic (including eligible expenses under a student’s cost of attendance, such as food, housing, course materials, technology, health care, and childcare).” By accepting a CARES Act grant, you are attesting that funds will be used in this manner.

Keiser University has made good faith efforts to identify students eligible to receive CARES Act grants. By accepting emergency grant funds, you are attesting that you have successfully completed a Free Application for Federal Student Aid (FAFSA), or are a military veteran receiving military aid to attend Keiser University who is eligible to file a FAFSA.
