

Higher Education Emergency Relief Fund Report – Financial Aid Grants to Students

Period Covering October 1, 2021 through December 31, 2021

Keiser University received education stabilization funds under the CRRSAA. This fund report applies to the student portion received under the Higher Education Emergency Relief Fund that is designated exclusively for emergency financial aid grants to students referred to as CRRSAA or HEERF II.

The institution appreciates that Congress and the President have made these critical funds available for eligible students who have expenses related to the disruption of campus operations due to the coronavirus pandemic. We take receipt of these federal funds seriously and are distributing them in accordance with the CARES Act and implementing guidance.

The institution is making the below information available for transparency purposes and in compliance with the U.S. Department of Education’s (“Department”) Electronic Announcements and Guidance.

Keiser University has adopted a flexible approach to administering emergency grants to students negatively impacted by the COVID-19 economic crisis. In creating this policy, the University seeks to achieve five goals:

- To expeditiously develop and implement a plan to distribute CARES Act funds to Keiser University Students.

- To adhere to CARES Act requirements and Department of Education interpretive guidance in distributing funds.
- To create a process for awarding of funds that is defensible, replicable, and equitable – a process which will stand up to predictable future scrutiny (auditors, legislators, media, etc.).
- To distribute funds in a manner that best ensures student support in light of COVID-19 and economic challenges.
- To utilize existing processes and automate the awarding, distribution, and tracking process to the greatest degree possible.

Other than adding online students and a minor modification to the EFC ranges following the update from the Department of Education, these grants had the same eligibility criteria as CARES I grants for students enrolled in school as of 1/15/2021 as detailed on our website at <https://www.keiseruniversity.edu/covid/cares-act-policy/> All eligible students were awarded grants under HEERF II following the schedule below:
