KEISER UNIVERSITY

Master of Science in Education

COURSE TITLE: Action Research Project

COURSE NUMBER: EDU 610

CREDIT HOURS: 3.0 graduate semester credit hours

PREREQUISITES: Baccalaureate degree from an accredited institution

INSTRUCTOR QUALIFICATIONS

Dr. Jackie L. Booth has over 25 years of teaching experience from elementary school through graduate school. She has worked in public and private schools in Illinois, Florida, and Texas as well as US Department of Defense schools in Germany. Her professional work as a curriculum designer includes print, video and web-based programs for educators, social workers, medical professionals and students. Dr. Booth earned a B.A. in Journalism/English from Brigham Young University, a M.S. in Secondary Education from the University of Southern Illinois and a Ph.D. in Curriculum and Interdisciplinary Education from the University of South Florida. You may contact Dr. Booth at 813-404-6387 between 9 am and 9 pm or by email through this course

COURSE DESCRIPTION

This course is the culminating experience for the Master of Science in Education. It allows students to engage in a research project within their professional area. Under the supervision of a faculty mentor, students will select an area of interest, identify a problem, and design a graduate-level research project geared toward developing an in-depth understanding of the topic. Projects should be geared toward an educational setting. Prior approval is required for a student to enroll in this class.
