

## **Associate of Science in Medical Assisting & Associate of Science in Medical Assisting Science**

Dear Prospective Student,

Thank you for your interest in Keiser University's (KU) Associate of Science in Medical Assisting and/or the Associate of Science in Medical Assisting Science programs. KU is required by law to disclose to your specific state licensing requirements regarding professional licensure. In particular, KU must disclose whether (1) the program meets state educational requirements for professional licensure, (2) does not meet state educational requirements for professional licensure, or (3) it cannot be confirmed if the program meets state educational requirements for professional licensure.

The attached professional licensure disclosure notification is designed to provide the aforementioned detail for all 50 states in the U.S., the District of Columbia, and U.S. protectorates.

Upon review, should you find you reside in and/or wish to obtain licensure in a state where the program does not meet state educational requirements, or it cannot be confirmed if the program does so, please click on the link for that state to determine the professional licensure requirements for that state. For program-specific questions, please contact Rose Farhat at (321)-409-4800.

Sincerely,

Terry Reid-Paul, MBA, HCM  
Vice Chancellor of Academic Affairs  
Keiser University

**Professional Licensure Disclosure/Notification Statement**  
**Keiser University, Associate of Science in Medical Assisting & Associate of Science in Medical Assisting Science**

Degree Title	Degree Level	Degree
Associate of Science in Medical Assisting	Associate	AS
Associate of Science in Medical Assisting Science	Associate	AS

**Professional Licensure Disclosure Statement:** Keiser University is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award certificates and degrees at the associate, baccalaureate, masters, specialist, and doctoral levels. Questions about the accreditation of Keiser University may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC’s website ([www.sacscoc.org](http://www.sacscoc.org)).

The KU Associate of Science in Medical Assisting Program (Daytona Beach campus) is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) on recommendation of the Medical Assisting Education Review Board (MAERB). CAAHEP can be reached at 9355-113<sup>th</sup> Street North, #7709 Seminole, Florida 33775. Office phone: (727) 210-2350, <https://www.caahep.org/>.

At this time, KU has made the following determination regarding the Associate of Science in Medical Assisting and/or the Associate of Science in Medical Assisting Science educational degree completion requirements for licensure/certification in the following states:

STATES IN WHICH THE PROGRAM MEETS EDUCATIONAL REQUIREMENTS	STATES IN WHICH THE PROGRAM DOES NOT MEET EDUCATIONAL REQUIREMENTS	STATES FOR WHICH IT CANNOT BE DETERMINED IF THE PROGRAM MEETS EDUCATIONAL REQUIREMENTS
All states	NA	NA

It is strongly recommended that students, applicants, and prospective students determine any additional (i.e. non-educational) requirements for licensure in the state in which they seek to be licensed. For additional information and a directory of specific state requirements, please visit the web site of Medical Assisting requirements at: <https://www.medassistantedu.org/requirements/>

For all students, applications, or prospective students seeking licensure in any state listed in the “Program does not meet educational requirements” column, please see the chart below detailing the licensing board requirements and contact information.
