

Associate of Science in Respiratory Therapy

Dear Prospective Student,

Thank you for your interest in Keiser University's (KU) Associate of Science in Respiratory Therapy. KU is required by law to disclose to you specific state licensing requirements regarding professional licensure. In particular, KU must disclose whether (1) the program meets state educational requirements for professional licensure, (2) does not meet state educational requirements for professional licensure, or (3) it cannot be confirmed if the program meets state educational requirements for professional licensure.

The attached professional licensure disclosure notification is designed to provide the aforementioned detail for all 50 states in the U.S., the District of Columbia, and U.S. protectorates.

Upon review, should you find you reside in and/or wish to obtain licensure in a state where the program does not meet state educational requirements, or it cannot be confirmed if the program does so, please click on the link for that state to determine the professional licensure requirements for that state. For program-specific questions, please contact the University Department Chair, Lourdes Zambrana, at (954) 776-4456.

Sincerely,

A handwritten signature in black ink, appearing to read 'John E. Sites'.

John E. Sites, JD
Vice Chancellor of Academic Affairs
Keiser University

Professional Licensure Disclosure/Notification Statement
Keiser University, Associate of Science in Medical Administrative Billing & Coding

Degree Title	Degree Level	Degree
Associate of Science in Respiratory Therapy	Associate	AS

Professional Licensure Disclosure Statement: Keiser University (KU) is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACS-COC) to award associate’s, baccalaureate, master’s, and doctoral degrees. The Southern Association of Colleges and Schools Commission is located at 1866 Southern Lane, Decatur, Georgia 30033-4097, telephone: 404-679-4500.

The KU Associate of Science in Respiratory Therapy is accredited by the Commission on Accreditation for Respiratory Care (CoARC). CoARC can be reached at 264 Precision Blvd. Telford, TN 37690, Office phone: (817)283-2835, <https://www.coarc.com/>.

At this time, KU has made the following determination regarding the Associate of Science in Respiratory Therapy educational degree completion requirements for licensure/certification in the following states:

STATES IN WHICH THE PROGRAM MEETS EDUCATIONAL REQUIREMENTS	STATES IN WHICH THE PROGRAM DOES NOT MEET EDUCATIONAL REQUIREMENTS	STATES FOR WHICH IT CANNOT BE DETERMINED IF THE PROGRAM MEETS EDUCATIONAL REQUIREMENTS
All states except Alaska and Hawaii	Alaska, Hawaii	NA

It is strongly recommended that students, applicants, and prospective students determine any additional (i.e. non-educational) requirements for licensure in the state in which they seek to be licensed. For additional information and a directory of specific state requirements, please visit the web site of Respiratory Therapist Training requirements at:

http://www.innovatorsguide.org/occupations/respiratory_therapist_training.htm

For all students, applications, or prospective students seeking licensure in any state listed in the “Program does not meet educational requirements” column, please see the chart below detailing the licensing board requirements and contact information.

State	Link
Alaska	https://respiratoryassociates.com/state-requirements/alaska/
Hawaii	https://cca.hawaii.gov/pvl/programs/respiratory/

If you need assistance or have any program-specific questions, please contact Program Chair, Ms. Lourdes Zambrana at (954) 776-4456.
