PROFESSIONAL LICENSURE DISCLOSURE STATEMENT

This Disclosure is strictly limited to Keiser University’s (KU) determination of whether the **Associate of Science in Nursing and the Bachelor of Science in Nursing** (the “Program”), if successfully completed, would be sufficient to meet the educational requirements for licensure or certification in a State, as defined by 34 C.F.R. § 600.2.

KU’s AS & BS in Nursing meets the educational degree completion requirements for licensure in the state of Florida as a Registered Nurse and the designated states below. The ASN programs, with the exception of the Ft. Myers and Naples Campus are accredited by the Accreditation Commission for Education in Nursing (ACEN) a specialized accrediting body recognized by the US Department of Education (ED) and by the Council for Higher Education Accreditation (CHEA). The BSN programs are accredited by the Commission on Collegiate Nursing Education (CCNE). CCNE is recognized by the US Department of Education for the accreditation of nursing education program in the US.

NOTE: This disclosure does not provide any guarantee that any one state licensure entity will approve or deny application for certification or professional licensure. Furthermore, this disclosure does not account for changes in state law or regulations that may affect your application for certification or licensure that may occur after this disclosure has been made. If your career plans include pursuing professional licensure or certification in your chosen field, it is important to become educated on the credentialing requirements of the state in which you hope to practice by contacting the state’s licensure entity.

Per 34 C.F.R. § 668.43, KU has determined whether the program satisfies state educational requirements for licensure as follows:
