

**Diagnostic Imaging & Therapeutic Disciplines\***  
**Radiologic Technology, Radiation Therapy\*, Diagnostic Medical  
Sonography, Nuclear Medicine Technology & Imaging Sciences**

Dear Prospective Student,

Thank you for your interest in Keiser University's (KU Imaging Programs. KU is required by law to disclose to you specific state licensing requirements regarding professional licensure. In particular, KU must disclose whether (1) the program meets state educational requirements for professional licensure, (2) does not meet state educational requirements for professional licensure, or (3) it cannot be confirmed if the program meets state educational requirements for professional licensure.

The attached professional licensure disclosure notification is designed to provide the aforementioned detail for all 50 states in the U.S., the District of Columbia, and U.S. protectorates.

Upon review, should you find you reside in and/or wish to obtain licensure in a state where the program does not meet state educational requirements, or it cannot be confirmed if the program does so, please click on the link for that state to determine the professional licensure requirements for that state. For program-specific questions, please contact the appropriate Department Chair for the designated program of interest:

- Radiologic Technology and Radiation Therapy University Department Chair, Dr. Kathy Drotar (941) 907-3900
- Nuclear Medicine University Department, Dr. Jasmin Trunzo Miller (863) 682-6020
- Diagnostic Medical Sonography (General and Vascular), Shonda Durrance, (386)274-5060
- Imaging Sciences University Department Chair, Dr. Robert Cleary (305) 596-2226

Sincerely,

Terry Reid-Paul, MBA, HCM  
Vice Chancellor of Academic Affairs  
Keiser University

<ul style="list-style-type: none"> <li>• Associate of Science in Nuclear Medicine Technology</li> </ul>	Associate Degree	AS
<ul style="list-style-type: none"> <li>• Bachelor of Science in Imaging Sciences</li> </ul>	Baccalaureate Degree	BS

**Professional Licensure Disclosure Statement:** Keiser University (KU) is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACS-COC) to award associate’s, baccalaureate, master’s, and doctoral degrees. The Southern Association of Colleges and Schools Commission is located at 1866 Southern Lane, Decatur, Georgia 30033-4097, telephone: 404-679-4500. Keiser University is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award certificates and degrees at the associate, baccalaureate, masters, specialist, and doctoral levels. Questions about the accreditation of Keiser University may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC’s website ([www.sacscoc.org](http://www.sacscoc.org)).

- Keiser University’s Radiologic Technology program, Daytona, Ft. Lauderdale, Jacksonville, Lakeland, Melbourne, Miami, and Sarasota campuses, is accredited by the Joint Review Committee on Education in Radiologic Technology, 20 N. Wacker Drive, Suite 2850, Chicago, Illinois 60606-3182, (312) 704-5300, [www.jrcert.org](http://www.jrcert.org).
- Keiser University’s Lakeland campus Nuclear Medicine Technology program is accredited by the Joint Review Committee on Educational Programs in Nuclear Medicine Technology 2000 W. Danforth Rd. STE 130, #203 Edmond, OK 73003 Phone: (405) 285-0546 [mail@jrcnmt.org](mailto:mail@jrcnmt.org)
- Keiser University’s Diagnostic Medical Sonography program, Daytona Beach (general concentration), Fort Lauderdale (general and vascular concentrations), Fort Myers (general and vascular concentration), Melbourne (general concentration), and New Port Richey (general concentration) campuses, are accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) on recommendation of the Joint Review Committee on Education in Diagnostic Medical Sonography (JRC-DMS), Commission on Accreditation of Allied Health Education Programs 9355-113<sup>th</sup> St. N #7709 Seminole, FL 33725; 727-210-2350 [www.caahep.org](http://www.caahep.org)

At this time, KU has made the following determination regarding the following diagnostic imaging

programs and therapeutic program (radiologic technology, radiation therapy\*, diagnostic medical sonography, nuclear medicine technology and imaging sciences) educational degree completion requirements for licensure/certification in the following states:

STATES IN WHICH THE PROGRAMS MEET EDUCATIONAL REQUIREMENTS	STATES IN WHICH THE PROGRAMS DO NOT MEET EDUCATIONAL REQUIREMENTS	STATES FOR WHICH IT CANNOT BE DETERMINED IF THE PROGRAMS MEET EDUCATIONAL REQUIREMENTS
All states; Alaska, California and Colorado require a separate certification exam to perform fluoroscopy.	Georgia requires completion of 6 hours of radiation safety education.	NA

It is strongly recommended that students, applicants, and prospective students determine any additional (i.e. non-educational) requirements for licensure in the state in which they seek to be licensed. For additional information and a directory of specific state requirements, please visit the web site at: <https://www.asrt.org/main/standards-and-regulations/legislation-regulations-and-advocacy/individual-state-licensure>

### **Mammography**

States may have specific laws and regulations for mammographers in addition to requirements contained in the Mammography Quality Standards Act. Please check with the individual state’s [radiation control agency](#) for mammography information.

For all students, applications, or prospective students seeking licensure in any state listed in the “Program does not meet educational requirements”, please see the chart below detailing the licensing board requirements and contact information.

State	Link
Alaska	<a href="http://dhss.alaska.gov/dph/Labs/Pages/radiological/default.aspx">http://dhss.alaska.gov/dph/Labs/Pages/radiological/default.aspx</a>
