

**PROFESSIONAL LICENSURE DISCLOSURE**

Keiser University – Graduate School  
Master of Science in Clinical Nutrition – Coordinated Program

Degree Title (Concentration)	Level
MS in Clinical Nutrition – Coordinated Program (ACEND accredited)	Master’s

PROFESSIONAL LICENSURE DISCLOSURE STATEMENT

This disclosure is strictly limited to Keiser University’s (KU) determination of whether the **Master of Science in Clinical Nutrition – Coordinated Program (MSCN)** (the “Program”), if successfully completed, would be sufficient to meet the educational requirements for licensure or certification in a State, as defined by 34 C.F.R. § 600.2.

KU’s MSCN meets the educational degree completion requirements for licensure in the state of Florida as a registered dietitian/registered dietitian nutritionist (RD/RDN) and the designated states below as a professional dietitian/dietitian nutritionist. The program is accredited by the Accreditation Council for Education in Nutrition and Dietetics (ACEND), a specialized accrediting body recognized by the U.S. Department of Education and the Council for Higher Education Accreditation (CHEA).

**NOTE: This disclosure does not provide any guarantee that any one state licensure entity will approve or deny application for certification or professional licensure.** Furthermore, this disclosure does not account for changes in state law or regulations that may affect your application for certification or licensure that may occur after this disclosure has been made. If your career plans include pursuing professional licensure or certification in your chosen field, it is important to become educated on the credentialing requirements of the state in which you hope to practice by contacting the state’s licensure entity.

Per 34 C.F.R. § 668.43, KU has determined whether the Program satisfies State educational requirements for licensure as follows:
