PROFESSIONAL LICENSURE DISCLOSURE STATEMENT

This disclosure is strictly limited to Keiser University’s (KU) determination of whether the **Master of Science in Occupational Therapy** (the “Program”), if successfully completed, would be sufficient to meet the educational requirements for licensure or certification in a State, as defined as 34 C.F.R. § 600.2.

KU’s Master of Science in [Occupational Therapy](#) meets the educational degree completion requirements for licensure in Florida as an Occupational Therapist (OT) and in the designated states below. The program is accredited by the Accreditation Council for Occupational Therapy Education (ACOTE) of the American Occupational Therapy Association (AOTA).

NOTE: This disclosure does not provide any guarantee that any state licensure entity will approve or deny your application for certification or professional licensure. Furthermore, this Disclosure does not account for changes in state law or regulations that may affect your application for certification or licensure or occur after this disclosure has been made. If your career plans include pursuing professional licensure or certification in your chosen field, it is important to become educated on the credentialing requirements of the state in which you hope to practice by contacting the state’s licensure entity.

Per 34 C.F.R. § 668.43, KU has determined whether the Program satisfies State educational requirements for licensure as follows:
