Dear Dr. Moore,

Keiser University has a long history of providing quality education and support to our community. We have partnered with your campus for many years.

We believe you are an excellent candidate to receive funding to purchase a Criminal Justice Simulator to further educate and enhance the level of instruction provided to your Criminal Justice, Crime Scene Technology, Forensic Investigations, and Information Technology/Cybersecurity students.

Therefore, it is without hesitation that we support this endeavor.

If you wish to discuss this recommendation further, please contact me at (954) 873-9364.

Respectfully,

Constance Lee (She/Her)
