To Whom It May Concern,

My name is Captain Cheryl Marshall of the Florida Department of Corrections. I have been a member of the Criminal Justice Advisory Board for the Fort Lauderdale Campus of Keiser University for four years. As a member of the Department of Corrections Recruitment Team that is based in South Florida, I have participated in numerous job fairs for the Fort Lauderdale Campus of Keiser University, as well as other locations.

The Department of Corrections hires hundreds of employees throughout Florida on an annual basis, including students from Keiser University. The Florida Department of Corrections is the third largest in the United States, the department goal is to hire over 5000 new staff members available positions in several departments are security, food service, medical, maintenance, probation and parole, classification, etc.

I do not personally work with employees who graduated from Keiser University, but I know from my experience on the Advisory Board that Keiser University prepares Criminal Justice students for a variety of careers in Criminal Justice. Therefore, I continue to recruit employees from Keiser University.

Respectfully,

Captain Cheryl Marshall
