Dr. Karen Steverson
Campus President
Keiser University
2400 Interstate Drive
Lakeland, FL 33805

President Steverson,

I understand that Keiser University is considering purchasing 18 MILO Range M-SATS portable, situational awareness, use of force, and tactical judgment training systems for various campuses throughout Florida. I would like to offer this letter of support from my agency, to be used during your appropriation process with the Office of Policy and Budget.

We look forward to continuing our community partnership and work with the Keiser University Lakeland campus, and are happy to support you in this initiative. I believe this is an excellent training opportunity for students, as well as current law enforcement officers alike. I am very interested in the possibility of my agency members utilizing the equipment for local training both on campus, as well as remote training at our facility.

Please keep us posted on the progress of this innovative plan for Keiser University.

Sincerely,
