Shyam J. Mistry  
Dean of Academic Affairs  
Keiser University  
1700 Halstead Blvd.  
Tallahassee, FL 32309

Dear Dean Mistry:

Keiser University has been a proud partner of the Leon County Sheriff's Office for many years. Serving in many capacities, LCSO has been a continuous advocate for Keiser University and its graduates. The Leon County Sheriff's Office has been a proponent of the university's advisory board committee, served as the graduation commencement speaker, hired graduates in both sworn and non-sworn positions, hosted guest lectures in classrooms, and formed an official community partnership to allow returning students to earn a scholarship.

The Leon County Sheriff's Office is proud to support Keiser University and its graduates as they continue to be high quality professional members of the community. We are in full support of the university as they seek to add the **MILO Range M-SATS (Mobile-Situational Awareness Training System)** to their campuses across the state of Florida. Providing students with a hands-on interactive education will further strengthen their ability to critically think and respond in high pressure situations. This training simulator is used across the industry and will be a phenomenal tool to educate students and allow students to gain perspective in the law enforcement career field. Adding this technology will be a great recruitment tool for those who are interested in criminal justice, cybersecurity, information technology, homeland security, and other related fields.

Thank you for your consideration and please keep our office apprised of any updates that we may assist. Our deputies and community will be excited to celebrate Keiser University and the accomplishments of their students and graduates.

Sincerely,

Walt McNeil  
Sheriff, Leon County
