Dear Mr. Lechowski,

On behalf of the Pembroke Pines Police Department I would like to express our appreciation to Keiser University for the professional partnership our organizations enjoy. Keiser University has provided valued assistance and support to the Pembroke Pines Police Department over time regarding our numerous training initiatives. This professional relationship has also provided for shared goals with the Keiser University Advisory Board in which members of our agency volunteer to participate on. The advisory board reviews and remains current on course curriculum for the Criminal Justice Programs which Keiser University offers. Keiser students and staff are always gracious hosts and highly professional with our staff.

The Pembroke Pines Police Department also regularly participates in job fairs and career day events which are hosted by Keiser University. These events foster ties to our diverse community and are an integral component of the positive impact Keiser provides to the citizens both of our organizations proudly serve. We appreciate your continued support of our agency and look forward to a continued partnership in our community.

Sincerely,
