

**CITY OF  
TALLAHASSEE**

---

April 25, 2023

Shyam J. Mistry  
Dean of Academic Affairs  
Keiser University  
1700 Halstead Blvd.  
Tallahassee, FL 32309

Dear Dean Mistry:

Keiser University is a proud partner of the Tallahassee Police Department (TPD). Serving in many capacities, TPD has continuously advocated for Keiser University and its graduates. TPD is a proponent of the university's advisory board committee and has hired graduates in both sworn and non-sworn positions.

The Tallahassee Police Department is proud to support Keiser University and its graduates as they continue their professional careers. We are in full support of the university as they seek to add the **MILO Range M-SATS (Mobile-Situational Awareness Training System)** to their campuses across the state of Florida. Providing students with a hands-on interactive education will further strengthen their ability to critically think and respond in high pressure situations. This training simulator is used across the industry and will be an outstanding tool to educate and provide additional perspectives in the law enforcement field. Adding this technology is a valuable recruitment tool for those interested in criminal justice, cybersecurity, information technology, homeland security, and other related fields.

Thank you for your consideration and please keep our office apprised of any updates with which we may assist. Our officers and community will be excited to celebrate Keiser University and the accomplishments of their students and graduates.

Sincerely,

Lawrence E. Revell  
Chief of Police
