## **Keiser University Hosting Annual Scare Fairs Statewide in Florida**

*Keiser University campuses to host a free “Scare Fair Open House” throughout Florida for children and their parents on October 25<sup>th</sup> as a way to give back to their local communities.*

**Fort Lauderdale, FL** – Oct. 21, 2017 — Keiser University will be hosting its Annual Scare Fair Open Houses on Wednesday, Oct. 25, 2017 from approximately 5:00 p.m. until 8:00 p.m. at 16 of its Florida campuses. Costumes are welcome and these events are free and open to the public.

Keiser University has hosted “Scare Fair” events for the past several years in order to give something back to the communities which they serve. Some campus events are sponsored in part by local businesses in the community.

“Due to the overwhelming support from the community, these events have grown each year in the number of attendees, the variety of activities, and the hands-on demonstrations at the Open Houses,” stated Ryan Reis, Associate Vice Chancellor of Student Services. “These events are attended by our faculty, academic staff, alumni, students, and friends & families as well.”

Each year a different theme is selected with each campus featuring their own unique twist. The list below shows the participating Keiser University campus. For more information on these open house events, call 1-888-844-8404 or visit [www.KUOpenHouse.com](http://www.KUOpenHouse.com)
