To Whom It May Concern:

It is with great pleasure that I write this letter of support for Keiser University. Keiser has been a great partner to our Early Head Start program. Thanks to their generosity, we are able to use their Doral facility for our Early Head Start provider meetings and trainings. The convenient location, comfortable accommodations, and welcoming environment make this an ideal location.

In addition, this collaboration has proven to be advantageous towards meeting our program's non-federal share match. The staff is professional, responsive to our needs, and flexible to our short notice requests.

We feel fortunate to have this partnership and look forward to a continued collaboration.

Sincerely,

A handwritten signature in black ink that reads "Belkis M. Torres".

Belkis Torres

Vice President for Early Head Start
