To Whom It May Concern,

Our organization wanted to take this opportunity to thank Keiser University for the community support it provides to our Junior Golf Foundation as well as our golf management company, Golf Professional Services, Inc. We have been in this community since 1995 providing golf professional services at two Palm Beach County locations: Okeeheelee Golf Course and Park Ridge Golf Course.

A few examples of our partnership with Keiser University include the following:

- Have hired four Keiser COG graduates
- Serve as an internship site for KU students
- Keiser students assist as rules officials for our Summer Jr. Tournament Series
- Keiser students volunteer as coaches for multiple year-round programs
- Keiser students volunteer with Special Olympics Golf training, Local Games and Area Games hosted at Okeeheelee Golf Course.
- We conduct multiple trainings at the Keiser University's Flagship campus, allowing juniors in our area to experience the best and most up to date technology on the market today and preview the Flagship campus.

We appreciate our partnership with Keiser University and are extremely pleased with the quality of graduates, programs and support. We look forward to providing future practical training and volunteer opportunities for the College of Golf students and hiring of KU graduates whenever possible.

Best regards,

Mary-Lee Cobick
President
