Dear Leslie,

The Mets would like to express our appreciation and gratitude to Keiser University for being an outstanding community partner. We are proud to work with Keiser University in hosting the annual Treasure Coast High School All Star Game at First Data Field. And recognizing the outstanding player of the game with the Keiser MVP award has become an honor for the players and their families.

Keiser University has been an instrumental partner in our efforts to build the Mets brand in our local communities and throughout the Treasure Coast.
