

Vision
100% Student Success

Mission:
"Educate and prepare each student for college, career and life."

Karen Bisco
Director of Student Services
Keiser University Clearwater
16120 U.S. Highway 19 North
Clearwater, FL 33764

Dear Ms. Bisco:

The Pinellas County School District (PCS) fully supports the efforts and programs provided by Keiser University. These programs have assisted students as they pursue their educational and careers goals. As the Director of the Office of Strategic Partnerships, Keiser University has done an excellent job of reaching out to our schools, and developing quality programs that support learning.

Keiser University has supported PCS students in grades 5th – 12th by providing them with an opportunity to visit the University, resources to support student learning, and leadership development opportunity. Hence, we are committed to making sure our students are informed about the majors at Keiser University and the required internship, externship, or clinical rotations which provide them with hands-on learning. We have also partnered with Keiser on multiple programs that support literacy, family and staff workshops, and STEM activities.

PCS is a strong advocate of universities that have proven results, and we know that Keiser University has high placement and graduation rates. Please consider this letter as our commitment to continue working and supporting the collaboration with Keiser University.

Sincerely,

Valerie Brimm, Ed.D.
Director
Office of Strategic Partnerships
Pinellas County Schools
