**Southeastern Florida and**

**Grand Bahama Island in the Commonwealth of the Bahamas**

**April 17, 2018**

**To whom it may concern,**

**Let it be known that the Rotary International District 6990 and its affiliation with the Rotary Leadership Institute (RLI), with participation of its 48 clubs has had the opportunity and pleasure of partnering with Keiser University on several occasions.**

**RLI is a training and educational component offered to our members twice a year and with that being said, Keiser University and its supporting staff have graciously hosted several of these events with incredible success.**

**We find your Miami-Dade campus and excellent venue for our day long sessions, well appointed, immaculately clean, easily accessible and well supported by Carmen Perez, your Director of Student Services.**

**Our Rotary district has a long standing history in the south Florida community with its first club being established in 1916. It is just small representation of the internationality of the organization which realizes over 35,000 clubs...1.2 million members in over 200 countries around the world. Our motto is "Service Above Self" and we deliver humanitarian service to those less fortunate 24 hours a day, seven days a week, 365 days a year...somewhere around the world!**

**The University has been and hopefully will continue to be a valuable partner for our Rotarians as we continue efforts in strengthening and building a higher level of PASSION, preparing them to bring service to a higher level.**

**As Director of RLI for the period of 2016-2019, I want to extend our appreciation for the support and efforts of the Keiser community....it is a blessing to have this partnership with you!**

**Yours in Rotary Service,**

**D6990 RLI Director 2016-2019**

**Past District Governor D6990 2014-2015**
