Dear Ms. McDonnell,

As you're aware, our Cypress Lakes Veterans Association (CLVA) recently selected Michael R. Dailey as the Keiser University student to receive our annual veteran scholarship award of one-thousand dollars. We were delighted to have Michael with us this past Wednesday evening at our CLVA general membership meeting so we could make our formal presentation here at Cypress Lakes. Ms. Carly Evans, your Director of Student Services, and Ms. Cassi Oggero, Financial Aid Officer, also attended as Michael's escorts.

We could not have completed our selection process with such consistency had it not been for Carly's assistance and flexibility in working with our committee. Her help regarding the overall program was outstanding.

Also, her work in coordinating with the Keiser University scholarship panel to narrow the many applicants to a few recommendations was a huge help to us. Our scholarship committee took on the challenge of selecting one of these very deserving students--and it was a difficult process again this year! Ultimately, Michael surfaced as our selection for the CLVA Veteran Scholarship Award for 2018.

Please pass on to Carly our sincere appreciation for her assistance.

Sincerely,

RoseMary Allen, Chairperson
CLVA Veteran Scholarship Committee
