To Whom It May Concern,

Keiser University is an active business partner to the East Lake High School community. Their employees support our mentoring program by providing mentors who provide guidance and support to our students. By supporting this program and our students, Keiser has shown that they are a valuable partner that supports the school's mission to develop productive and responsible students who are prepared for post-secondary education, the workforce and citizenship. Michele Chaltry, the community relations coordinator is an outstanding and caring business partner.

Sincerely,
