Fort Lauderdale, FL 33309

To Whom It May Concern,

Gilda's Club South Florida is so happy to begin its partnership with Keiser University! The University is a great resource to so many in Broward County. As a new partner of Keiser's, we are grateful for being offered the space to have our strategic planning retreat and to use your facilities for similar events.

Gilda's Club South Florida has been in Ft. Lauderdale 21 years serving all those impacted by cancer. We provide support groups, educational presentations, healthy living programs and social activities for our members. Our funding depends on private donations and in-kind services such as the opportunity you provided us to use your facilities.

We look forward to continuing and growing our partnership in the years to come.

Sincerely,
