To Whom It May Concern:

Kiwanis Club of Dunedin was chartered in 1959. The volunteers in our club have a mission of helping the children of Dunedin. We support with funding or service the programs in our elementary schools, the Builders Club in the middle school, and the Key Club in Dunedin High School, as well as, many other organizations that help children.

Our partnership with Keiser University is invaluable. The Clearwater campus has provided us with the facility to hold leadership educational classes. The staff is very gracious in supporting our clubs.

As Lt. Governor for Division 12, I know firsthand how Keiser University benefits the communities in this area. The campus was instrumental in our successful District Governor summit held in December 2017.

If I can be of further assistance, please feel free to contact me.

Thank you for this opportunity to share our gratefulness for Keiser University.

Yours in Kiwanis Service,

Elinor Fox
