Re: Letter of Support

To Whom It May Concern:

The Lakeland Police Department enjoys a positive collaborative partnership with Keiser University's Lakeland Campus. The relationship that has been forged between our organizations allows students in their Criminal Justice Program to gain hands-on experience through interactive participation at our LPD Training Center. These opportunities assist the students to be better prepared to meet the demands of the police profession and hopefully succeed.

We look forward to continuing this partnership and assisting Keiser University students in their quest for degrees and employment opportunities.

Sincerely,

Larry Giddens
Chief of Police
