* Past President

Founding President

Gale G. Howden

CHIEF EXECUTIVE OFFICER

Kristin Calder

To Whom It May Concern:

The Keiser University community understands and values the importance of literacy. Kaiser faculty and students have actively supported our Loop for Literacy bike, run and walk event for several years. Their enthusiastic participation and additional fundraising efforts have enhanced our ability to raise awareness of the significant literacy issues in our community.

The Literacy Coalition is the leading advocate for literacy in Palm Beach County. Founded in 1989, our mission is to improve the quality of life in our community by promoting and achieving literacy. More than 30,000 children, teens, adults and families are reached by our programs and services each year.

We are proud to have Keiser University as a partner in our efforts to ensure that every child and every adult in our community can read.

Yours truly,

**Kristin Calder
Chief Executive Officer**
