Re: Keiser University

To Whom It May Concern,

I am writing to you as President and CEO of Team Volusia Economic Development Corporation to express our organization's support of Keiser University. Team Volusia EDC is a public/private not-for-profit corporation funded by Volusia County and 13 of its cities, seven colleges and universities and over 70 private businesses/companies. With its primary mission to market and recruit businesses from outside the area to Volusia County.

Keiser University is a valuable part of the economic development delivery system and works in partnership with state and county agencies, municipalities, chambers and others to achieve county-wide economic growth. In addition to being active within the community, David Champlin, J.D., Daytona Beach Campus President, serves on the Team Volusia Board of Directors.

We support Keiser University and their continued efforts towards economic growth, higher education and job creation for the State of Florida

Respectfully,
