

To Whom It May Concern:

Keiser University has served our community for over 40 years, and the Cocoa Beach Regional Chamber of Commerce has valued its relationships within our local business and educational communities for the last 50 years. With three offices in Brevard County and a kiosk in Port Canaveral, our Chamber serves over 1,500 business partners with varying interests, as well as tourists visiting our area through our Visitor's Center.

As a partner in good standing with our Chamber, our business partners are not only grateful to have Keiser University as a supporter of our local community, but also for what they provide to our citizens, a quality education (whether it's continuing or for the first time).

The Chamber has personally utilized volunteer students from Keiser University for our tourist office and to assist with events here at the Chamber. All student volunteers have been courteous and professional.

The Cocoa Beach Chamber is pleased to offer this letter of support for one of our great institutional partners, Keiser University!

Thank you –

Sincerely,

Jennifer Sugarman
President & CEO
