MEMORANDUM FOR RECORD

SUBJECT: Keiser University Letter

1. The United States Army Lakeland Career Center has been helping the community of Lakeland for over a decade. Keiser University has always been a supporting partner in our mission. It was just this year however, that Keiser University (Lakeland Campus) and our Career Center began an expansion on this relationship. We have participated in a Career Fair and we are looking forward to the Summer Fest in June. We are expanding this relationship at a rapid and successful pace for all involved. Keiser University has helped us become much more involved throughout the college community. The partnership between the United States Army and Keiser University has been an extremely positive experience.
2. Address any questions and concerns to the undersigned at (813) 789-1201.
