Ms. Leslie Kristof, Campus President  
Keiser University  
9400 SW Discovery Way  
Port Saint Lucie, FL 34987

Dear Ms. Kristof:

It is my pleasure to provide this letter supporting the Treasure Coast campus of Keiser University.

As the Local Workforce Development Board for Martin, St. Lucie and Indian River counties, CareerSource Research Coast (CSRC) considers Keiser University a vital partner. Keiser University has a reputation for providing quality educational opportunities to the residents of our local workforce development area with an emphasis on one of our targeted industry sectors, healthcare. As an approved training provider, CSRC has the ability to provide tuition/supportive services assistance to those Keiser University students who qualify for the Workforce Innovation and Opportunity Act (WIOA) federal grant funding.

Keiser University's investment and involvement in the Workforce Readiness Taskforce and the Healthcare Round Table are two examples of its pledge to the CSRC vision "to be the catalyst empowering our communities toward economic success" by building the educational foundation of a skilled, qualified talent pipeline.

It is with assurance and gratitude that I write on behalf of Keiser University, Treasure Coast campus and their significance to the residents and employers of our local workforce development area. Please do not hesitate to contact me if I can provide you with additional information.

Sincerely,

A handwritten signature in blue ink, appearing to read "BK Bauer".

Brian K. Bauer  
President/CEO
