Dear Dennis,

Christian HELP is a 501C3 nonprofit operating in Seminole County and serving Central Florida for 26 years. We empower family independence by equipping job seekers for employment and career growth that will enable them to provide for their families. We do this through employment and career counseling, connections to needed resources like our food pantry, a job board and the 6 largest job fairs in Orange County.

I sit on the Advisory board at Keiser, participate in the Career Expo with training and Keiser has supported us by being a member of our CFEC division, reviewing resumes for job-seekers at our Job Fairs. This year we had the privilege of receiving food for our pantry when Keiser hosted the Halloween extravaganza for their surrounding community and named us as the choice charity.

I am most impressed by Keiser's dedication to putting students first – from Ann Marie to Jeremy to you and the faculty – all work tirelessly to insure student success – and that helps our community thrive over the long term.

Keiser offers our community true growth opportunities by educating, equipping and empowering students for careers, not just diplomas. I am truly impressed by the placement rates for graduates. Students graduate with career-focused degrees, find jobs in their fields and make immediate contributions to their field, their families and the community.

We are grateful to be associated with Keiser University as we both seek to empower positive community impact.

Sincerely,

  
Tracy Trimblett  
Director Client Services
