Leslie Kristof, Campus President
Keiser University
9400 SW Discovery Way
Port St. Lucie, FL 34987

Dear Ms. Kristof:

For over five (5) years, the Council on Aging of St. Lucie, Inc. and Keiser University have enjoyed a mutually fulfilling partnership. Through this partnership, students have learned to identify elements unique to geriatric nursing while shadowing our Adult Day Care nurses and were able to observe the impact it has on client outcomes.

Students provided vital sign checks (blood pressure, temperatures, pulse, respirations) while at our facility; furthering their educational training related to working with the ever-growing senior population in St. Lucie County.

Senior Sensitivity trainings continue to be provided at the Keiser Campus by our Senior & Outreach Service Director, further exposing students to the geriatric aging process.

Through the students experiences at Council on Aging of St. Lucie, Inc., Keiser creates a quality workforce on the Treasure Coast. We look forward to continuing our collaborative partnership for many years to come.

Sincerely,

Mary Craig
Senior & Outreach Service Director
