To Whom It May Concern:

Keiser University is a valued partner of Dress for Success Palm Beaches for numerous reasons.

The mission of Dress for Success is to empower women to achieve economic independence by providing a network of support, professional attire, and development tools to help them thrive in work and in life. Keiser University partners with us in a number of ways to help us achieve that mission.

First and foremost, we have set up a relationship whereby Keiser University students may be referred to our Career Transformation Center to obtain a professional outfit when they are starting to interview for a job. Once they are hired, they may return for a full week’s worth of clothing. We participate in Community and Career Fairs with Keiser University so we can be sure to remind students that our services are available to them.

Keiser University leadership, specifically President Kimberly Lea, is also very supportive of our organization financially. President Lea sponsored the installation of our “Career Corner”, a space where we can help our clients better prepare for interviewing. Members of Keiser University have attended our various fundraising events, and have also assisted us on a volunteer basis as needed.

It would be an understatement to say that we truly appreciate this partnership! It takes a community to help us achieve our mission; the support from organizations such as Keiser University is so important to us!

Sincerely,

Mary G. Hart
