Re: Letter of testament

To whom it may concern,

Fresh Start Cafe is a small restaurant in Sarasota, FL that has been open for 7 years. We have reached out many times to Violeta Huesman at Keiser University for dependable culinary students and graduates to fill kitchen positions. Keiser has never let us down! Most of our employees who came to us through Keiser have become valued friends beyond being employees. Some came to us as retired veterans which gave us to distinct ability to give back to those who have served and some came as complete beginners to be molded into amazing staff members.

We will continue our relationship with Keiser University for future needs.

Thank you for all you have done for us!

All our best,
Rochelle Seldin
