To Whom It May Concern,

Keiser University is important to our local Manatee community because through the support of your students, faculty and staff- our partnership has helped raise over 1,300 pounds of food to The Food Bank of Manatee to be donated back into the homes of hungry families in Manatee. The partnership between Meals on Wheels PLUS and Keiser is a testament to truly making a difference and directly impacting the lives in our community where we learn, live, work and play.

Our partnership is with Violeta Huesman at Keiser, who has been a tremendous asset to our community. We are truly so grateful!

Sincerely,

A handwritten signature in black ink that reads "Stephanie Grepling". The signature is written in a cursive, flowing style.
