Pembroke Pines, Florida 33027

Dear Mr. Lechowski,

On behalf of the men and women of the Pembroke Pines Police Department I would like to extend our sincere gratitude for the support and assistance provided to us by Keiser University. Over the last few years our partnership with Keiser University has exposed many members of our department to the professional and accommodating staff at the Pembroke Pines campus.

During the last several years the staff at Keiser have welcomed most of our leadership team as gracious hosts. The university has provided the educational space that has allowed our department to conduct numerous bi-annual first line supervisor leadership trainings, host premier training on topics such as emotional intelligence, reducing police officer injury and death, juvenile violence seminars, and annual command staff visioning and goal setting.

Our employees always comment on the professional and accommodating Keiser University staff they interact with when on the campus. We appreciate your continued support of our agency, and look forward to a continued partnership in our community.

Sincerely,

Dan S. Giustino
Chief of Police
