Keiser University

To Whom It May Concern:

Keiser University is important to our non-profit organization for the value it brings to our community. Toastmasters International is a non-profit educational organization that teaches public speaking and leadership skills through a worldwide network of clubs. The first Toastmasters Club in the Tallahassee area was chartered over 50 years ago, and Toastmasters District 84, Division H encompasses not only Tallahassee, but much of the surrounding area.

Each year, Toastmasters International holds speech contests in clubs around the world. Finding venues large enough to hold the Division contests, while keeping costs low for our members has been challenging. We are pleased that Keiser has been able to host both speech contests and leadership training events for our club officers and members.

Additionally, Keiser has a reputation in the community of providing hands-on, practical instruction in many study areas. This hands-on, career-focused approach has benefited not only some Toastmasters members, but some of their family members as well.

Thank you for allowing us to use your facilities on Saturday, April 28, 2018, and thank you to Mr. Matt Magrone, Senior Admissions Counselor, for the presentation he gave which gave our audience some useful information about what Keiser has to offer.

Sincerely,

Marjane C. Taylor
Division H Spring 2018 Contest Chair
