TO WHOM IT MAY CONCERN:

My name is Mailyn Nuñez, I am the Director of Recruiting for 24-7 Nursing Care. We have recruited many Registered Nurses from Keiser University. This school does a fantastic job preparing their students. Every year I see the school's growth in so many ways. They are always renovating the school in every way possible. The students at Keiser University graduate with an excellent level of education that allows me to place them in jobs immediately. They constantly put together amazing job fairs that I am always very thrilled to attend. My experience with Keiser University has been phenomenal. I look forward to many more years working alongside such an amazing school.
