To Whom It May Concern:

Keiser University is important to our community for so many reasons. Not only does Keiser University provide great opportunities for individuals to attain the career of his/her/their choice, Keiser University also provide safe spaces for organizations like Best Buddies to host workshops, Ambassador Trainings, and meetings.

Keiser University provides quality academics to its students, produce outstanding leadership opportunities to individuals in the community, and is an honor to have as a Best Buddies Community partner.

In conclusion, I would highly recommend this University to any prospective students who are looking for quality academics in a state-of-the-art facility that place community support and togetherness at the forefront of its mission. The professionalism of the staff, and the warm and welcoming environment is what makes Keiser University stand out from the rest of the Universities in the South Florida Region. I look forward to continuing Best Buddies relationship with Keiser University and I fully support this University and all that it encompasses. Thank you for being such an amazing institute in our community, and I look forward to supporting Keiser University for many years to come.

Sincerely,

Brittany Poitier
