Dear Keiser University,

Clearwater East Rotary was founded in September 1970. We are a service organization involved in local and worldwide projects. We are grateful for our partnership with Keiser University, Clearwater students and faculty and staff in our local fundraising activities.

Keiser University and Clearwater East Rotary has assisted in both school supply drives and food drives to assist a local economically challenged area. In addition, we are so very grateful to the university for providing the space in which we can socially distance and have access to technology capabilities that provide for options for our club members to attend bimonthly meetings.

Thank you, Keiser University, Clearwater for your investment and contributions to the Clearwater East Rotary and the needs of the local community.

Sincerely,

Karen L. Bisco
Club President
Clearwater East Rotary
