Kayla Norwood, A.R.N.P.

Board Certified

To Whom It May Concern,

OB-GYN Health Center has been an externship site for Keiser University Daytona Beach, Medical Assisting program for over 10 years. We feel the extern's come to us with the skills they need to have a successful experience. Over the past 10 years we have hired many of the students after they completed the program.

Keiser University Daytona Beach Medical Assisting program adequately prepares the students & produces a professional graduate. Daytona Beach has a need for professional & skilled Medical Assistant's, Keiser University Daytona Beach contributes to our community in having prepared graduates ready for employment.

We look forward to our continued partnership with Keister University Daytona Beach Medical Assisting program.

Sincerely,

**Terry Brown
Practice Manager**
